

APPENDIX 1: DEFINITION

HOLDING: An agricultural holding is an economic unit of agricultural production under single management comprising of all livestock kept and all land used wholly or partly for agricultural production purposes, without regard to title, legal form or size. Single management may be exercised by an individual or household, jointly by two or more individuals or households by a clan, or tribe or by a juridical person such as corporation, cooperative or government agency. The holding's land may consist of one or more parcels, located in one or more separate areas or in one or more enumeration areas, provided the parcels share the same production means utilized by the holding such as labor, farm, buildings or machinery.

PARCEL: A holding parcel is any piece of land entirely surrounded by other land, water, road, forest etc., not forming part of this holding. A parcel may consists of one or more fields adjacent to each other. In other words, a parcel is contiguous piece of land in a holding. The entire land of the holding may consist of one or more than one parcel.

HOUSEHOLD : One or more persons who live together and have their meals together.

- ❖ Just one person living on his own and looking after himself/ herself is considered a household
- ❖ Usually a household occupies one building but in a few cases two or even more households may share one building. eg: four households living in an apartment building containing four apartment
- ❖ Alternatively, one household can occupy more than one building. eg: one household using a living fale, sleeping fale, kitchen fale, and three small fales
- ❖ An Aiga is normally composed of several households
